nota is produced in four finishes:

white, white+anthracite, copper and copper+anthracite

nota is fully customizable in regard to different types of food processing. Weathertight cabinets accommodate storage space, refrigeration and/or washing appliances, while worktop can offer a prep sink and/or several kinds of domino hobs to choose from. Whether you choose induction, grill, wok, teppanyaki hob or oven, there is no end to what can be prepared in this compact gem of a kitchen.

Entertaining is easy without having to go in and out to get drinks, prepare or wash up, and with charging compartment for digital gadgets and built in bluetooth speakers, all you need is your family and friends.
